## CURRY LAKSA

Our signature dish, laksa, is a popular spicy noodle soup dish which is a combination of Chinese & Malaysian cuisine. With a combination of noodles, & a rich coconut milk based broth, curry laksa is what we are famous for & we are proud to call ourselves the King of Laksa.

All of our laksas come with yellow noodle & vermicelli, tofu, bean shoots, french beans, fried shallots & mint, along with your choice of meat.
